

MEDIATION MASTERY

In Collaboration with

Mediation Mastery, an executive 5-day mediation training program developed in collaboration with the Pakistan Mediation Association (PMA) and supported by the International Mediation Institute (IMI). This program is designed to equip participants with advanced conflict resolution skills and techniques necessary for effective mediation, making them highly sought-after professionals in the field.

Led by four CEDR-accredited master trainers, Mediation Mastery offers an intensive, hands-on curriculum that balances theoretical learning with practical application. Participants will engage in dynamic workshops, realistic role-play exercises, and comprehensive assessments to become fully accredited mediators. Upon successful completion, trainees will receive PMA certification, recognized for its high standards and international collaboration.

Whether you are a legal professional, HR specialist, or simply passionate about conflict resolution, Mediation Mastery will transform your approach to handling disputes and open new career opportunities.

Mission

To provide comprehensive and practical training, rooted in globally recognized standards, to empower individuals with the confidence and expertise to foster constructive dialogue and transform disputes into opportunities for understanding and resolution.

By offering world-class training and accreditation in collaboration with the Pakistan Mediators Association (PMA) and the International Mediation Institute (IMI), we aim to set new standards of excellence in mediation.
